November 1, 2009 marks the first anniversary of Servus Credit Union – Alberta's province-wide credit union with over 100 locations in 64 communities, all the way from Fort McMurray to Medicine Hat and from Grande Cache to Lloydminster. Recently, Servus Credit Union has been named one of Canada's 50 Best Managed Companies.

Servus Credit Union requires a *full-time Financial Advisor I (FA I)*. The FA I must be able to provide the full range of financial products/services to current members and potential members. Recognize members needs and promote and cross-sell credit union lending, investment and retail banking services to members.

This FA I position is part of our new **Financial Advisor (FA) Relief Pool**, employment will be on a full-time basis serving branches in **Red Deer and surrounding area with the possibility of assisting our Calgary and South Region branches.**

Some of the benefits to working in the pool include:

- The opportunity to make an impression on our supervisors and managers in Central, Calgary & Southern Alberta, thereby increasing your network of colleagues
- Discovering a membership you enjoy serving
- The opportunity to learn how branches operate and serve the membership and therefore increasing your knowledge and ability which make you more competitive for future placements within our company.

This position is intended to be the training ground to progress into the Financial Advisor role therefore; it is the expectation when permanent FA positions become available the pool employee applies. The ability to travel is mandatory.

Excellent written and verbal communication skills and a genuine desire to provide the utmost in member service are essential for success. Related post-secondary education and a working knowledge of the Microsoft Suite of products are considered assets. Ideally, candidates will have previous lending experience. Mutual fund sales experience and license is an asset.
